NIGHT NON RIDING SAFARI

A 5-night itinerary is the perfect introduction to the Delta. Guests explore the area around Kujwana Camp, a wilderness in the heart of the Okavango Delta, enjoying wonderful drives with picnic lunches, mokoros, walks and power boats (water permitting.) Guests also have the opportunity to spend two nights at our fly-camp a truly adventurous addition to the safari.

DAY 1

You'll be met at Maun Airport by our Maun office team before a 20 minute transfer by helicopter straight into camp, or by light aircraft to the nearest airstrip, which is then roughly an hour's drive to camp by vehicle or boat.

Once you arrive in camp you will be given time to settle in before lunch/afternoon tea and an introduction talk followed by an afternoon drive, walk or boat.

DAY 2

You'll be woken up in the early morning with a tray of tea or coffee to enjoy in bed whilst listening to the sounds of the bush.

After breakfast, a morning walk or game drive in the Xudum area, wading through lush green malapos that lead you from island to island.

In the afternoon head out for a peaceful mokoro expedition on the river and enjoy the tranquility of the Delta from our dug out canoes. Enjoy the beautiful colours of the Delta as the sun starts to sink behind the horizon.

DAY 3

A full day walk, drive or both from Kujwana Camp, of approximately 30km heading to our flycamp. The route moves through open floodplains and scattered islands towards the Qwaapu river system, where you will see a wide variety of game.

A picnic lunch is served on a shady island followed by a siesta with camp beds, maybe a swim, and then a further 2 hour drive in the afternoon. Arrive at our wonderful fly camp at sunset and enjoy a refreshing drink as you admire the stunning views over the floodplain.

You'll find luxurious tents with comfortable beds, hot showers in your ensuite bathroom and a large mess tent complete with sofas and a library.

DAY 4

Spend the morning exploring the new area on a game drive incorporating a bush walk and tracking. Go looking for predators, including the endangered African Wild Dog and the numerous leopards we find in this area.

Lunch, a siesta and perhaps some games in camp before an afternoon continuing to explore the eastern side of the concession. You'll move through a variety of game areas fording numerous hippo channels in this truly remote area.

DAY 5 & 6

DAY 5

A full days journey back to camp picnicing at a different spot and completing the journey you set out on two days before.

A final evening dinner with a few tales from your safari to tell!

DAY 6

Early morning gamedrive/boat if flight time permits followed by brunch and a goodbye until next time!
